

# Summer Spirit 2

## July 9, 2023

**Prelude:** “Fairest Lord Jesus”

Silesian folk melody;  
Arr.: Carol Tornquist

### Call to Worship

One Trick with Unity is when we pray together and sing together.  
We do not sound the same or speak at the exactly the same time.  
We have high voices, low voices, some shaky, some strong, some quiet, others too loud.  
God loves it all! When we start early or end last, when we crack on the high note or whisper the low.  
God loves our voices when joined in worship!  
Let us pray and sing and praise slightly different, somewhat out of step but always together woven and gathered by the One Spirit of the Living God.
