Caring Cards

Sunday, August 23rd

(After Worship Service at Knox United Church)

Join us after the service to write/create cards for isolated Vancouver residents who may be in a care facility or homebound (VPL uses the wording 'isolated seniors').

There will be some blank greeting cards, craft supplies ie. pens, markers, paper available, but if you have extra supplies at home (*no glitter please*) feel free to bring them along. You can also bring photos of beautiful places, spaces, or art to turn into cards.

This is a program administered/run by the Vancouver Public Library

Knox Needs You!

As we look ahead to the coming ministry year, the Board is working to strengthen some of the structures that support the life and ministry of Knox.

We're currently seeking members who may be willing to serve on a Ministry & Personnel Committee (M&P), as well as people who would consider joining the Board.

As we lean into transitions in leadership, and as we work at building congregational growth and capacity, these roles will be rewarding ones. A commitment of even just a year could make a big difference for Knox at this time.

These are significant ways of supporting our staff, strengthening communication, and helping Knox prepare well for the future. If you would like to learn more about either opportunity, please speak with Susan or another member of the Board.

Thank you!

"The Knox Board"

The **Board** provides overall governance, spiritual discernment, and strategic leadership for the church, meeting (generally) once monthly for up to 2 hours by Zoom or in person. Informational emails are shared regularly.

Our ideal folks are willing to serve for at least 1 year, and no experience is needed. Ideally, you bring gifts of faith, collaboration, confidentiality, and innovative / high-level thinking skills.

"MINISTRY & PERSONNEL" (M&P)

A role on **M&P** includes getting to know our staff on a deeper level, acting as a confidential resource for human resources matters (no prior experience needed, training is provided).

The team works to build healthy relationships and resolve concerns between the congregation and staff. M&P also guides performance reviews, job descriptions, and staff evaluations. The workload will fluctuate, but the role is an important and meaningful one. We're hoping to find at least 2 people who can commit to at least 1 year on the team.
