Moderator's Message: An Advent Invitation to Hope

As we prepare for the coming of Christ, we are reminded that the Christmas story began in the midst of uncertain circumstances yet became a story of hope for the world. How can we extend similar invitations to hope in our neighbourhoods and communities?

Listen to the Moderator's Advent message and discover seasonal resources that may help your community share God's welcome throughout Advent and Christmas.

KNOX TRIVIA

Who made the Knox Advent Wreath
that we light in the Sanctuary each week of Advent?

Last Week's Answer:

One of our former custodians, Paul Stagg, donated a large Christmas Tree each year that used to stand behind the choir in the Sanctuary. In the Narthex, we had a "Can" Christmas Tree where we collected food to help those in need. The Christmas Tree that stood in the lobby of the old Fellowship Building was always filled with handmade ornaments made by the congregation.
